🌐 linkedin.com/in/nithin-sajjanapu — 🏠 github.com/NithinSajjanapu

Summary

Full Stack Developer specializing in the MERN stack with hands-on experience in designing, developing, deploying, and maintaining scalable web applications. Experienced in building database-driven business management applications. Passionate about delivering clean, maintainable, and high-performance software solutions while continuously expanding technical expertise.

Skills

Languages: C, JavaScript

Frontend: HTML5, CSS3, React.js

Backend: Node.js, Express.js

Database: MongoDB

Tools: Git, GitHub, VS Code, Postman, MongoDB Compass, Cloudinary

Concepts: RESTful APIs, JWT Authentication, CRUD, Responsive Web Design, MVC Architecture

Projects

Gym Management System | *HTML5, CSS3, JavaScript, Node.js, Express.js, MongoDB* **Jan 2026 – Present**

[Live Demo](#) — [GitHub](#)

- Built and deployed a production-ready Gym Management System used by administrators for daily operations.
- Implemented member registration, renewals, fee tracking, and expiry management.
- **Frontend deployed on Vercel and backend on Render; actively used by gym administrators.**

Automobile E-Commerce Store & Workshop System | *HTML5, CSS3, JavaScript, Node.js* **Apr 2025 – Jun 2025**

- Developed a responsive management dashboard for automobile workshops and spare parts inventory.
- Implemented customer management, billing, inventory tracking, service history, and order management modules.
- Designed analytical dashboards to monitor inventory, sales performance, and customer records.

Experience

Software Developer (Client Project) **Jan 2026 – Present**

Client-Based Full Stack Web Application

- * Collaborated with the client to analyze requirements and deliver scalable software solutions.
- * Developed and maintained backend APIs, managed MongoDB databases, and supported application deployment.
- * Performed testing, bug fixing, feature enhancements, and production support throughout the development lifecycle.
- * **Successfully delivered and maintained a production-ready web application for daily business operations.**

Certifications & Awards

- **Full Stack Development Internship – Thiranex (May 2026 – Jun 2026):** Successfully completed a MERN Stack Development Internship with hands-on training in frontend and backend technologies.
- **Best Logical Coding Award (2024, 2025):** Awarded three times at the college level for outstanding logical problem-solving skills in C Programming.
- **Diploma in Computer Applications (DCA):** Completed with Grade A, gaining practical knowledge of MS Office, Excel, and computer fundamentals.

Education

B.Tech – Computer Science and Design

Graduation: 2027

JNTUH Affiliated College, Karimnagar
